Supply List

- Main color, Size 11° seed beads
- Cross-over beads, Size 8° seed beads
- Size 10, 11 or 12 beading needles

Step 1

Attach a stopper bead to your thread.

Step 2

Pick up one size 8 and two size 11s. Repeat seven more times for a total of eight sets.

Step 3

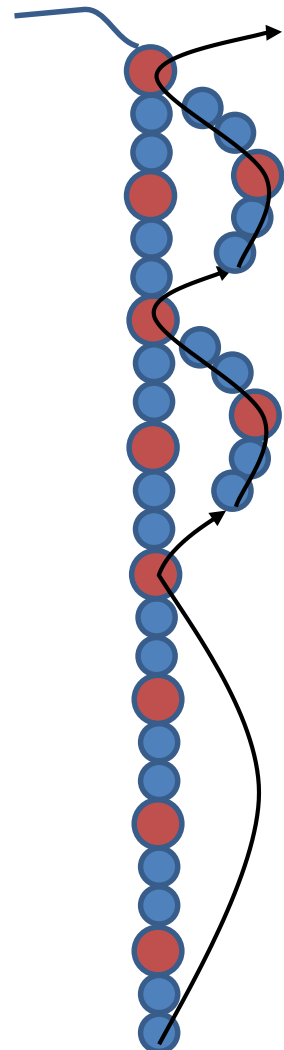

Working towards your tail, pass back through the fourth cross-over bead from the needle.

Step 4

Pick up two size 11s, a size 8, and two size 11s, skipping one cross-over bead, pass through the next cross-over bead towards the tail.

Step 5

Repeat Step 4. You should end up with your thread exiting the top cross-over bead along with your tail thread.

Step 6

Time for a turn around!

Pick up two size 11s, a size 8, two size 11s, a size 8, and two size 11s.

Pass through the first sticky-outy cross-over bead.

Step 7

Pick up two size 11s, a size 8, two size 11s, a size 8 and pass through the next sticky-outy cross-over bead.

Step 8

Repeat Step 7

Step 9

Repeat Step 6

Continue repeating Steps 6-9 until you have the length you desire.
